TORPEDO BOAT NAMES.

EACH ONE BEARS THE NAME OF AN OFFICER WHO DISTINGUISHED HIMSELF BY UNUSUAL BRAVERY.

[Boston Globe.]

Could a torpedo boat have a more appropriate name than the *Cushing*, which commemorates the gallantry of the naval officer who distinguished himself in the *California Fig Syrup Co.* (with the medical profession, and the manufacturers of the general public) have given to millions of families, makes the name of *Cushing* a household word. As the excellence of the remedy. It is far in advance of all other laxatives, for it acts directly on the bowels without irritating or weakening them, and it does not grip the bowels with such violence as other laxatives. For further information, please remember the name of the Company.
